Dear Mr. & Mrs. Tae Woo Kim,

I'm so thankful for your partnership with us in 2022. Your gifts to MTW and your prayers for God's work around the world have helped plant churches and change lives.

In February, war escalated in Ukraine and more than 7.8 million Ukrainians fled the country with another 6.5 million internally displaced. The church, both inside and outside Ukraine, was ready to respond. Our missionaries and national partners—many of whom were displaced themselves—help transport church members, find housing, distribute aid, and care spiritually for those in need. PCA church members responded generously and sacrificially to help support our Ukrainian brothers and sisters. The church in Ukraine is growing deeper and stronger as a result, and Ukrainian pastors report that God is using this tragedy to propel the church further as they're able to recover and rebuild.

In Senegal, we launched the first RUF site in Africa, expanding our MTW/RUF-Global partnership to strategically reach college students across the world. Church-planting endeavors in Senegal are also expanding. Recent graduates of the Timothy House pastoral training program serve at two new church locations. A third is in the works.

We've also seen God's faithfulness in 2022 with 102 missionaries and interns serving across a variety of fields, as well as more than 1,000 volunteers who participated and served our fields through vision/mission trips.

Thank you for your gifts and prayers this year. As we reflect with gratitude on all that God did in 2022, we look forward to His work in the year ahead. Please continue to pray in 2023 as we strive in faith to live out the Great Commission around the world.

In Christ,
